Welcome to our Spring Programs!

Dear Citizens and Visitors,

We welcome you to our online Seasonal Program Guide for information on spring recreational programs and special events as well as our County park sites. We hope you find many offerings of interest to you and your family, and ask that you let us know if there is a program you would like added in the future.

Be sure to mark your calendars for a 3-day event in Yorktown June 5 -7! Those are the docking dates at the Riverwalk Landing Piers for the new French tall ship, L'Hermione, "The Frigate of Liberty." The Hermione is a replica of the ship that brought the Marquis de La Fayette to America in 1780 after he enlisted the support of the French government to aid us in the Revolutionary War. Lafayette had earlier befriended George Washington and helped him lead the final victory here at Yorktown in 1781. Now, 234 years later, the "new" Hermione makes its maiden voyage to America, staying at Yorktown before sailing to other east coast ports. Event details will be coming soon, but remember to mark those dates!

We hope you have a wonderful end of winter and spring ahead!

Brian Fuller, Manager, York County Parks, Recreation and Tourism (PRT)

Accessibility

York County Parks, Recreation and Tourism makes every effort to comply with the Americans with Disabilities Act, Public Law 101-336. Reasonable accommodations will be made on an individual basis. Requests for accommodations should be made a minimum of two weeks in advance of the program and directed to the Parks, Recreation and Tourism Office at 757-890-3500.

Adverse Weather Policies

If York County Public Schools are closed, or close early because of inclement weather, all Parks, Recreation and Tourism programs that are held inside of schools are also cancelled.

Photos

Parks, Recreation and Tourism takes photos and video of participants enrolled in our programs, classes, at our parks and facilities, and at special events. These materials may be used in public media and official York County publicity (including York government's cable channels, government internet websites, publications, displays, and presentations).

Want to receive program updates? Just send us your email!

Periodic program updates and news items will be emailed to anyone signing up for this service. Please email your name and email address to: parksandrec@yorkcounty.gov

USTA QUICKSTART TENNIS:

Quickstart tennis enables youth to practice and play real tennis to scale. This better allows them to play and learn at the same time, as opposed to the traditional model of learning the skills before playing the game. Each practice session is designed as a team practice that will prepare players for competition, match play, and USTA Jr. Team Tennis. This program will run **6 weeks** with class sizes minimum of 5 and maximum of 8 participants.

BEGINNER LESSONS:

For those who have had no formal tennis instruction, no playing experience, or who have experienced a long delay between lessons or playing. Lesson objectives include introducing the skills necessary to play tennis; providing an overview of the rules and fundamentals; and, explaining the requirements for proper court etiquette, safety, and sportsmanship. With the very young players, activities will also include teaching appropriate movement skills plus pre-striking and striking skills. These lessons are geared to make the experience fun while learning basic tennis skills.

ADVANCED BEGINNER & INTERMEDIATE:

For those who have had success in past lessons and/or playing experiences and are ready to progress to the next level. Lesson objectives include: reinforcing previous lessons learned; facilitating more advanced stroke techniques; and, developing ball control and placement skills.
